## RECENT RESEARCH EXPERIENCE:

2021 – Present | **Research Assistant:** Dr. Carmen Logie, Factor-Inwentash Faculty of Social Work, University of Toronto  
**Role: (1)** Conducting a qualitative analysis of focus group transcripts with young refugees in Bidi Bidi Refugee Camp to enhance access to HIV testing among young refugees. The analysis will inform a Comic Book Intervention with Refugee Adolescents in the Refugee Settlement; **(2)** Providing a systematic review of publications about syndemics from 2019 – 2020 for an invited publication.

2021 – Present | **Research Student:** Women’s College Research Institute (WCRI)  
**Project Title:** "Trans-LINK Network", Janice Du Mont, Women’s College Hospital  
**Description:** This project works alongside the Ontario Network of Sexual Assault/Domestic Violence Treatment Centres (SADVTC) to develop an intersectoral network to provide trans-affirming care and support for sexual assault survivors across the province.  
**Role:** (1) Conducting a social network analysis of existing collaborations between member organizations in regard to enhancing the care and support of trans survivors of sexual assault; (2) Ongoing partner liaison to expand transLINK Network nationally.

2021 – 2023 | **Cyber-Violence Researcher:** Developing World Countries (DWC) in partnership with Global Affairs Canada  
**Project Title:** 'No to Gender Violence in Sri Lanka'  
**Description:** DWC in collaboration with the Centre for Women’s Research (CENWOR) in Sri Lanka, will be conducting research regarding the root causes of gender-based violence and the experiences of online violence against women.  
**Role:** Providing literature reviews, methodological consultation, and support for research development in relation to cyberviolence against women and girls in Sri Lanka. In 2022, will collaborate with CENWOR counterparts in Colombo to conduct field research, lead policy seminars, present research, and advocate for enhanced response to instances of gender-based violence online.

- 2020 – 2021 | **Senior Research Assistant:** Dr. Katharina Maier, *University of Winnipeg*  
**Project Title:** “Governing the ‘Crisis’: Perceptions of and Responses to Meth and Meth-related Criminality in Winnipeg”  
**Description:** This project examines the role of and relationship between criminal justice and public health in the context of drug use (specifically methamphetamine use) and policy.  
**Role:** (1) conducting literature reviews on topics related to public health, urban poverty, and drug use; (2) conducting qualitative interviews and interview analysis; and; (3) preparation of peer-reviewed publications and reports.
- 2020 – 2021 | **Graduate Research Assistant:** Dr. Joe Hermer, *University of Toronto*  
**Project Title:** ‘Pandemic Policing of the Homeless in Canada: From Crime Control to Public Health Strategy’.  
**Role:** Developing and strategizing knowledge translation projects that present technical research findings in an accessible way to community organizations and relevant stakeholders who could benefit from the findings.
- 2019 – 2020 | **Graduate Research Assistant:** Dr. Candace Kruttschnitt, *University of Toronto*  
**Project:** Life-Course Consequences of Female Victimization.  
**Role:** Reviewing current and emerging literature regarding the consequences of victimization over the life course and the gendered impacts that emerge. Role includes coding relevant articles for thematic elements and summarizing the findings for a chapter on the theoretical perspectives of violence against women.
- 2019 – 2020 | **Researcher:** Dr. Vicki Smye (Principal Investigator), Western University  
**Project:** 7Gen Indigenous Youth Mental Health Evaluation through Global MINDs Fellowship.  
**Role:** Exploring how technology and computer programming can be a form of agency building for Indigenous youth. Conducted Proof of Concept Study to determine the efficacy of the Yotuni Indigenous mental program.
